

Save Me

Shinedown

I've got a candle
And I've got a spoon
I live in a hallway with no doors and no rooms
Under the window sill they all was found
A touch of concrete within a doorway
Without a sound Someone save me if you will
And take away all these pills
And please just save me, if you can
From the blasphemy in my wasteland
How did I get here
And what went wrong
Couldn't handle forgiveness
Now I'm far beyond gone
And I can hardly remember the look of my own eyes
How could I love this
My life's so dishonest
It made me compromise Someone save me if you will
And take away all these pills
And please just save me, if you can
From the blasphemy in my wasteland Jump in the water
Jump in with me
Jump on the altar
Lay down with me
My hardest question to answer is why
Someone save me if you will
And take away all these pills
And please just save me, if you can
From the blasphemy in my wasteland Some one save me
Some one save me
Somebody save me
Somebody save me
Please don't erase me
