

# The Best of Both Worlds

## Hannah Montana

[Intro]

Oh, yeah

C'mon

[Verse 1]

You get the limo out front (Ooh-whoa)  
Hottest styles, every shoe, every color  
Yeah, when you're famous, it can be kinda fun  
It's really you but no one ever discovers

[Pre-Chorus]

In some ways, you're just like all your friends  
But on stage, you're a star

[Chorus]

You get the best of both worlds  
Chill it out, take it slow  
Then you rock out the show  
You get the best of both worlds  
Mix it all together and you know that it's the best of both worlds  
The best of both worlds (Yeah)

[Verse 2]

You go to movie premieres (Was that Orlando Bloom?)  
Hear your songs on the radio  
Livin' two lives is a little weird (Yeah)  
But school's cool, 'cause nobody knows

[Pre-Chorus]

Yeah, you get to be a small town girl  
But big time when you play your guitar

[Chorus]

You get the best of both worlds  
Chill it out, take it slow  
Then you rock out the show  
You get the best of both worlds  
Mix it all together and you know that it's the best of both—  
You know the best of both worlds

[Bridge]

Pictures and autographs  
You get your face in all the magazines  
The best part is that  
You get to be whoever you wanna be

(Best! Best!) Yeah, the best of both—  
(Best! Best!) You got the best of both—  
(Best! Best!) C'mon, the best of both—

[Pre-Chorus]

Who would've thought that a girl like me  
Would double as a superstar? (Wow!)

[Chorus]

You get the best of both worlds  
Chill it out, take it slow  
Then you rock out the show  
You get the best of both worlds  
Mix it all together and you know that it's the best—

[Outro]

You get the best of both worlds  
Without the shades and the hair  
You can go anywhere  
You get the best of both girls  
Mix it all together, oh yeah  
It's so much better  
'Cause you know you got the best of both worlds
