

# Asking 4 It (feat. Fetty Wap)

Gwen Stefani

I'm someone you love, making it clear, baby  
(I'm someone you love, making it clear, baby)  
But what if our love isn't in here, baby  
(But what if our love isn't in here, baby)  
Just scream out to Zoo, Zoovier is here  
(Just scream out to Zoo, Zoovier is here)  
I dare ya, dare ya, dare ya Oh why, why would, why would you wanna be  
Why would you wanna be with someone like me  
Oh why, why would, why would you wanna live  
Why would you wanna live so recklessly? I don't know where I was, I was lost, I was nothing  
The real version of me, I had never even seen  
You givin' me truth and it's such an unfamiliar subject  
So, could you answer me please?  
Are you sure you wanna love me?  
Are you sure you wanna love me?  
You're asking for it, you're asking for it  
And I'm just saying, boy  
You're asking for it, you're asking for it  
Are you sure you wanna love me?  
Are you sure you wanna love me?  
You're asking for it, you're asking for it  
And I'm just saying, boy  
You're asking for it, you're asking for it  
I dare ya, dare ya, dare ya  
You're asking for it, you're asking for it  
And I'm just saying, boy  
You're asking for it, you're asking for it  
I dare ya, dare ya, dare ya  
You're asking for it, you're asking for it  
And I'm just saying, boy  
You're asking for it, you're asking for it  
I dare ya, dare ya, dare ya  
I, I know, I know that it's a lot  
I know that it's a lot to handle me  
But it, it is, but it is what it is  
It's all a part of my broken history I don't know where I was, I was lost, I was nothing  
The real version of me, I had never even seen  
You givin' me truth and it's such an unfamiliar subject  
So, could you answer me please? Are you sure you wanna love me?  
Are you sure you wanna love me?  
You're asking for it, you're asking for it  
And I'm just saying, boy

You're asking for it, you're asking for it  
I dare ya, dare ya, dare ya  
You're asking for it, you're asking for it  
And I'm just saying, boy  
You're asking for it, you're asking for it  
I dare ya, dare ya, dare ya  
You're asking for it, you're asking for it  
And I'm just saying, boy  
You're asking for it, you're asking for it  
I dare ya, dare ya, dare ya I'm just icy, give you weapons and them bangers  
Baby, I'm from the trap, I run the zoo, and I'm just askin'  
Baby, I love your style, put you in Choos but not too flashy, ayy  
It was days I had no car, you had to stash me  
Baby I promise you we always ain't gon' let you pass me  
Pick a car, yeah, you pack your bags, we're leavin' Lavens  
Come and stand with Zoovier Zoo, I can be your captain  
Baby let's fill the swimming pool with money  
Make it splash in, yeah baby  
I'm someone you love, making it clear, baby  
But what if our love isn't in here, baby  
Just scream out to Zoo, Zoovier is here Are you sure you wanna love me?  
Are you sure you wanna love me?  
Are you sure you wanna love me?  
I dare ya, dare ya, dare ya  
You're asking for it, you're asking for it  
And I'm just saying, boy  
You're asking for it, you're asking for it  
I dare ya, dare ya, dare ya  
You're asking for it, you're asking for it  
And I'm just saying, boy  
You're asking for it, you're asking for it  
I dare ya, dare ya, dare ya
