

# Now 'Til Forever

**Kirk Whalum**

Shirley Temple  
Miscellaneous  
Now And Forever  
Life's trials and tribulations  
For them I have no fear.  
Love's smiles and salutations  
Did that for me, my dear. Now and forever  
Forever you'll be,  
Now and forever  
Forever with me.  
Through ev'ry season  
we'll keep love a glow.  
We'll help the early Spring time  
melt winter's snow.  
Today, tomorrow  
Whatever they bring,  
Sunshine or sorrow  
We'll share ev'ry thing. My plans are not for a day  
For my love is for now and forever,  
for ever more.
