

# Who You Are

Jessie J

[Intro]

Mmm, yeah, oh

Yeah, yeah

[Verse 1]

I stare at my reflection in the mirror

Why am I doing this to myself?

Losing my mind on a tiny error

I nearly left the real me on the shelf

No, no, no, no, no

[Chorus]

Don't lose who you are in the blur of the stars

Seeing is deceiving, dreaming is believing

It's okay not to be okay

Sometimes it's hard, to follow your heart

Tears don't mean you're losing, everybody's bruising

Just be true to who you are

[Post-Chorus]

Who you are, who you are, who you are

Who you are, who you are, who you are

(No, no, no, no, no, no, no)

Who you are, who you are, who you are

Who you are, who you are

[Verse 2]

Brushing my hair, do I look perfect?

I forgot what to do to fit the mold, yeah

The more I try, the less it's working, yeah, yeah

'Cause everything inside me screams "no"

No, no, no, no, no, no, no, yeah

[Chorus]

Don't lose who you are in the blur of the stars

Seeing is deceiving, dreaming is believing

It's okay not to be okay

Sometimes it's hard to follow your heart

Tears don't mean you're losing, everybody's bruising

There's nothing wrong with who you are

[Bridge]

Yes, no, egos, fake shows, like whoa  
Just go and leave me alone  
Real talk, real life, good love, goodnight  
With a smile, that's my home  
That's my home, no  
No, no, no, no, no, no

[Chorus]

Don't lose who you are in the blur of the stars  
Seeing is deceiving, dreaming is believing  
It's okay not to be okay  
Sometimes it's hard, to follow your heart  
Tears don't mean you're losing, everybody's bruising  
Just be true to who you are  
Yeah
