

Next Door Neighbor Blues

Gary Clark Jr.

Gotta call from my neighbor this mornin'
Told me my baby was gone Took the keys to my Cadillac
Left my clothes out on the lawn Came home last night
With a pistol pointed at my head She said you better fess up boy
or I swear I'm gonna shoot ya dead Break I shoulda known somethin' wrong
somethin' wrong been goin on Oh yeah
I found out that girl moved in next door
