

Mary Ann

Ray Charles

Well now, oh Mary Ann

You know you sure look fine

Well now oh

You know you sure look fine

Well now oh Mary Ann

I could love you all the time

Well now, oh Mary Ann

I said, baby, don't you know

Well now oh

Well now, baby, don't you know

Don't you know, baby

That I love you so

Oh, well now oh

Let's talk about it

Easy, ooh

Oh, Mary Ann

Can I take you home tonight?

Oh baby

Can I take you home tonight?

If you let me be
I'll make everything all right

Oh, well now oh

Oh, well now oh

I gotta feeling

Everything's all right
