

# Who You Lovin

Conrad Sewell

Lyrics to Who You Lovin

She gets dressed up, and she says she's going out  
I don't care, see, I don't care  
And I call her, but the music's way too loud  
She can't hear, say, she can't hear Maybe it's all in my head,  
Maybe I'm paranoid,  
But when we get it to bed  
She never disappoints  
It ain't the sex it's the love that she's been looking for  
If not me, someone else gon' give it  
So, who you lovin' when I'm not around?  
'Cause your kiss don't feel the same, babe  
Since I've been away  
Who you lovin' when I'm out of town?  
You're waking anymore when I'm walking in the dark  
Who you lovin'  
Who uh uh uh uh  
Who you lovin'  
Who you lovin' babe?  
Who uh uh uh uh  
Who you lovin'  
Who you lovin' babe? Got habits, she don't bitch around no more  
She don't care, see she don't care  
We had magic, and now everything she gets  
It disappears, she disappears  
Maybe it's all in my head,  
Maybe I'm paranoid,  
But when we get it to bed  
She never disappoints  
It ain't the sex it's the love that she's been looking for  
If not me, someone else gon' give it So, who you lovin' when I'm not around?  
'Cause your kiss don't feel the same, babe  
Since I've been away  
Who you lovin' when I'm out of town?  
You're waking anymore when I'm walking in the dark  
Who you lovin'  
Who uh uh uh uh  
Who you lovin'  
Who you lovin' babe?  
Who uh uh uh uh  
Who you lovin'  
Who you lovin' babe? Stop! 'Cause the truth might lead my heart

But don't leave me in the dark  
Even though it may kill me, I still gotta know So tell me,  
Who you lovin' when I'm not around?  
'Cause your kiss don't feel the same, babe  
Since I've been away  
Who you lovin' when I'm out of town?  
You're waking anymore when I'm walking in the dark  
Who you lovin'  
Who uh uh uh uh  
Who you lovin'  
Who you lovin' babe?  
Who uh uh uh uh  
Who you lovin'  
Who you lovin' babe?
