## Edward Sharpe & The Magnetic Zeros

Mayla, long time

Mayla, sunshine

Mayla, know I'm

Tryin' to see it through

My future to the new horizon

Mayla, long time

Mayla, sunshine

Hold up, we're tryin'

Our hands are bleeding through

We're building us a new horizon

Mmmm

Mmmm

Mayla, long time

Mayla, sunshine

Mayla, we're tryin'

Our hands are bleeding through

And messes up with you and falling

Ahhh

And all I have to do to rise

Is look into your eyes

Mayla, long time

Mayla, sunshine

Mayla, know I'm

Tryin' to see it through

My future to the new horizon

Mmmm

Mmmm

Mayla

Mayla

Mayla

Mayla
