

# I Write Sins Not Tragedies

## Vitamin String Quartet

Oh, well imagine; as I'm pacing the pews in a church  
corridor,

and I can't help but to hear, no I can't help but to  
hear an exchanging of words.

"What a beautiful wedding!, What a beautiful wedding!"  
says a bridesmaid to a waiter.

"Oh yes, but what a shame, what a shame, the poor  
groom's bride is a whore."

I chime in with a "Haven't you people ever heard of  
closing the god damn door?!"

No, it's much better to face these kinds of things with  
a sense of poise and rationality.

I'd chime in "Haven't you people ever heard of closing  
the god damn door?!"

No, it's much better to face these kinds of things with  
a sense of.....

Oh, well in fact, well I'll look at it this way, I mean  
technically our marriage is saved

Well this calls for, a toast so, pour the champagne,

Oh! Well in fact, well I'll look at it this way,

I mean technically our marriage is saved

Well this calls for a toast, so pour the champagne,

pour the champagne...(dun dunnnn)

I chime in with a "Haven't you people ever heard of

closing the god damn door?!"

No, it's much better to face these kinds of things with

a sense of poise and rationality.

I'd chime in with a "Haven't you people ever heard of

closing the god damn door?!"

No, it's much better to face these kinds of things with

a sense of poise and rationality...

Again.....

I chime in "Haven't you people ever heard of closing

the god damn door?!"

No.

It's much better to face these kinds of things with a

sense of poise and rationality.

I'd chime in "Haven't you people ever heard of closing

the god damn door?!"

No, it's much better to face these kinds of things with

a sense of poise and rationality.

Again.....
