

Thorns (Le Youth Remix)

Bonnie McKee

[Verse 1]

Medicated, guarded, jaded
Promise, baby, I'll be worth the ride (I'll be worth the ride)
Warm heart, cold blood, soft touch, tough love
Burnt down, fucked up, just the way you like (Just the way you like)

[Bridge]

There's something in my nature
That seems to fascinate ya
You got a taste for danger
Don't know why
And I don't want to hurt ya
I want your hands all over
Do you know how to handle me, 'cause I

[Chorus 1]

I got, I got thorns
Wear them like a crown, yeah
(I got, I got) thorns
You should know by now, yeah

[Chorus 2]

I got, I got
I got, I got
I got, I got (Got)
I got, I got
I got (Ay)
That's what you get when you pick a rose
That's what you get when you pick a rose
Thorns, thorns
That's what you get when you pick a rose
Easy to love but I'm hard to hold, thorns

[Break]

To hold, to hold
To hold on
To hold, to hold
Easy to love
To hold
That's what you get
To hold on
To hold

[Verse 2]

Love me, hate me, ain't no daisy

You want safety, find a daffodil
I can't help it, wild, reckless
Leave you, breathless, tangled up in silk
Leave you, tangled up in silk

[Chorus 2]
I got, I got
I got, I got
I got, I got (Got)
I got, I got
I got (Ay)

That's what you get when you pick a rose
That's what you get when you pick a rose
Thorns, thorns
That's what you get when you pick a rose
Easy to love but I'm hard to hold
Thorns

[Chorus 1]
To hold, to hold
To hold on
To hold, to hold
Easy to love
To hold
That's what you get
To hold on
To hold
