

Lay 'Em Down

NEEDTOBREATHE

Come down to the river
Come and let yourself in
Make good on a promise
Never heard againIf you're lost and lonely
You're broken down
Bring all of your troubles
Come lay 'em downAll you sinners
And the weak at heart
All you helpless on the boulevard
Whatever you are now
Whatever evil you've found
Bring all of you troubles
Come lay 'em downWe're all tied to the same ol' fate
Finding shelter in things we know
We're all dirty
Like corrupted small townsBring our troubles, bring our troubles
And lay 'em downAll you rich men
And the high above
All of those with that are without love
All you burdened, broken down
Bring all of your troubles
Come lay 'em down
Come lay 'em down
Come lay 'em down
Come lay 'em downCome lay 'em down (fade out)
