

Got No Shorty

Sean Kingston

I, I, I, I, I aint got no shorty
That's why I'm
Checkin' Tracy, eyeing Stacey
Stuck in the club still lookin' for love 'Cause I, I, I, I, I aint got no shorty
That's why I'm Calling Barbra, texting Carla
Stuck in the club still lookin' for love I said I'm lookin' for love
Not askin' for much
Just a fine little shorty
With a big ol' butt That's willing to cook
She got drink in her cup
And we can take it to the floor
And tear it up
(SAY) That she don't want to see me
So she calls me up when she wants to get busy
I am the man, I am the business
I'm tellin' you all with God as my witness I'm really all yours but I'm telling the truth
Tell ya I'm a pimp I got no sexy girls
Got so plenty don't know who to choose I, I, I, I, I aint got no shorty
That's why I'm
Checkin' Tracy, eyeing Stacey
Stuck in the club still lookin' for love 'Cause I, I, I, I, I aint got no shorty
That's why I'm Calling Barbra, texting Carla
Stuck in the club still lookin' for love
I'm still looking for love
In all the wrong places
I'm cookin' up something mean for you ladies
Spin it around
I love what your shakin'
Love what your breakin'
Down down down down Girl you don't just hate to admit it
Booty so big that it's so hard to sit
No I'm just tryin to get all up in it
Now you can tell me that you won't roll wit' it I'm really all yours but I'm telling the truth
Tell ya I'm a pimp I got no sexy girls
Got so plenty don't know who to choose I, I, I, I, I aint got no shorty
That's why I'm
Checkin' Tracy, eyeing Stacey
Stuck in the club still lookin' for love 'Cause I, I, I, I, I aint got no shorty
That's why
Calling Barbra, texting Carla
Stuck in the club still lookin' for love Now I've been here since 12 oh 3
Tryin to find some ladies

Where could they be?
They need to clap for me Oh, oh
They need to clap for me
What, what
123 Now I be here in the VIP
Tryin to find some ladies
Where could they be?
They need to clap for me Oh, oh
They need to clap for me
What, what
1234 I, I, I, I, I aint got no shorty
That's why I'm
Checkin' Tracy, eyeing Stacey
Stuck in the club still lookin' for love 'Cause I, I, I, I, I aint got no shorty
That's why
Calling Barbra, texting Carla
Stuck in the club still lookin' for love
