

This Very Moment

K-Ci & JoJo

[Verse 1: JoJo]

I can't believe it's true
I'm standing here in front of you
And you are here with me
So unbelievable
I'd never ever let you go
My heart is yours for keep
Let's make a vow, right here and now

[Chorus: K-Ci & JoJo]

This is the day that I prayed for
And you are the girl of my dreams
And my place in life is right here by your side on this day
This very moment

[Verse 2: K-Ci]

Today is you and I, we celebrate a brand new life
That God has given us
Until the end of time, I hold your precious hand in mine
A promise you can trust
We said the words 'I do,' forever all my love for you

[Chorus: K-Ci & JoJo]

This is the day that I prayed for
And you are the girl of my dreams
And my place in life is right here by your side on this day

[Bridge: K-Ci & JoJo]

My heart and soul agree
This day was meant to be
I need you desperately
Through all eternity
So perfect and so right
I want to share my life
I'll be by your side from now on

[Chorus: K-Ci & JoJo]

This is the day that I prayed for
And you are the girl of my dreams
And my place in life is right here by your side on this day

This very moment

[Outro]

This very moment

This very moment

This very moment

I can't believe it's true

I'm standing here in front of you

And you are here with me

This very moment
