

# No Mercy (feat. BlackGryph0n & LittleJayneyCakes)

## The Living Tombstone

This is the worst team I have ever played with in my life  
When we finally get on the point everyone dies  
I understand that every now and then a team won't click  
When it comes to you, I don't think I can sympathize You should've picked Mercy  
You should've picked any kind of support  
We ended up losing  
And it's all your fault  
You should learn how this game works  
You should've been helping  
"If you like Mercy so much, why don't you just marry her?"  
So you're the type that gets a mic and tries to lecture me  
You're the most useless person we have on our team  
I've never seen anybody rage quite as hard as you  
Maybe you should go back to playing Team Fortress 2 I'm not gonna be Mercy  
I'm not gonna be any kind of support  
We ended up losing  
And you got all mad  
Your tears are what I live for You should've been Mercy  
I'm not gonna be any kind of support  
We ended up losing and it's all your fault  
Your tears are what I live for  
Maybe I'll be Tracer  
I'm Already Tracer  
What about Widowmaker?  
I'm already Widowmaker  
I'll be Bastion  
Nerf Bastion!  
You're right. So, Winston  
I wanna be Winston  
I guess I'll be Genji  
I'm already Genji  
Then I'll be McCree  
I already chose McCree  
I have an idea  
What's your idea?  
You should be...  
I'm not gonna be Mercy You should've picked Mercy  
I'm not gonna be any kind of support  
We ended up losing and it's all your fault  
Your tears are what I live for

I'm not gonna be Mercy  
You should've picked any kind of support  
We ended up losing and you got all mad  
You should've learned how this game works
