

# Take What You Want (Demo Version)

## The Cars

Take what you want  
And leave what you don't  
Take what you want  
And leave what you don't  
I'm painting a face  
The color is dripping  
Magnesium moments  
In black fairy tales  
I live on emotion  
And comic relief  
I put this one on you  
Run, run, run like a thief  
Am I all alone?  
Am I all alone?  
Salamander sunrise  
Comes at 4: 44  
Lingerie madness  
Don't you kick down the door  
Sweet Sarah's so wild  
Don't you know why I'm losing your head  
Down the dark alley  
Where rumours are spread  
The room is so dark  
I'm catching on fire  
I'm in love with your face  
It's so confused by desire  
Am I all alone? Am I all alone?  
I'm winding it up  
It's running back down  
I'm winding it up  
It's running back down  
So take what you want  
And leave what you don't  
Take it  
Take it  
Take it
