

# Electrolite

R.E.M.

Your eyes are burnin' holes through me  
I'm gasoline  
I'm burnin' clean 20th century, go to sleep  
You're plasticine  
That is obscene  
That is obscene You are the star tonight  
You shine electric outta sight  
Your light eclipsed the moon tonight  
Electrolite  
You're outta sight If I ever want to fly  
Mulholland Drive  
I am alive  
Hollywood is under me  
I'm Martin Sheen  
I'm Steve McQueen  
I'm Jimmy Dean You are the star tonight  
You shine electric outta sight  
Your light eclipsed the moon tonight  
Electrolite  
You're outta sight If you ever want to fly  
Mulholland Drive  
Up in the sky Stand on a cliff and look down there  
Don't be scared  
You are alive  
You are alive  
You are the star tonight  
You shine electric outta sight  
Your light eclipsed the moon tonight  
Electrolite  
You're outta sight 20th century, go to sleep  
Really deep  
We won't blink Your eyes are burnin' holes through me  
I'm not scared  
I'm outta here  
I'm not scared  
I'm outta here
