

Wanders of the Mind (feat. Mac Miller)

The Internet

Yeah
Been waitin' all day for your honey
Standin' up when you're talkin' to me
Been drinkin' whiskey I don't know what I'm sayin'
But goddman I feel free
I feel like I'm out my mind
I'm high
Don't dare touch the downsize
I see each day go by go by
While we praise no lie
No lies
Never would have have thought life would end up like this
Sound so close the things the naked eye might miss
My mind it wanders
I find that it's harder
To realize
What the fuck it is what were doing on this earth
It's a curse
Excuse you Mr. can I get some info
I'm just an ignorant mind
I heard that ignorance is bliss
Excuse you Mr. can I get some info, you look pretty wise
I'm just an ignorant mind
Ignorance is bliss
It is what it is
