

# Promiscuous (feat. Timbaland)

Nelly Furtado

Am I throwing you off?  
Nope  
Didn't think soHow you doin' young lady?  
That feelin' that you givin' really drives me crazy  
You don't have to play about the joke  
I was at a loss of words first time that we spokeYou lookin' for a girl that'll treat you right  
You lookin' for her in the daytime with the lightYou might be the type if I play my cards right  
I'll find out by the end of the nightNelly: You expect me to just let you hit it  
Will you still respect me if you get it?  
All I can do is try, give me one chance.  
What's the problem? I don't see no ring on your hand.  
I be the first to admit it  
I'm curious about you, you seem so innocentYou wanna get in my world, get lost in it  
Boy I'm tired of running, let's walk for a minutePromiscuous girl  
Wherever you are  
I'm all alone  
And it's you that I want.Promiscuous boy  
You already know  
That I'm all yours  
What you waiting for?Promiscuous girl  
You're teasing me  
You know what I want  
And I got what you need  
Promiscuous boy  
Let's get to the point  
Cause we're on a roll  
Are you ready?Roses are red  
Some diamonds are blue  
Chivalry is dead  
But you're still kind of cuteHey, I can't keep my mind off you  
Where you at, do you mind if I come through?'m out of this world, come with me to my planet  
Get you on my level do you think that you can handle it?They call me Thomas  
Last name Crown  
Recognize game  
I'm a lay mine's downI'm a big girl  
I can handle myself  
But if I get lonely I'mma need your help  
Pay attention to me I don't talk for my healthI want you on my team  
So does everybody elseShh, baby we can keep it on the low  
Let your guard down ain't nobody gotta know  
If you with it girl, I know a place we can goWhat kind of girl do you take me for?Promiscuous  
girl

Wherever you are  
I'm all alone  
And it's you that I want Promiscuous boy  
You already know  
That I'm all yours  
What you waiting for? Promiscuous girl  
You're teasing me  
You know what I want  
And I got what you need Promiscuous boy  
Let's get to the point  
Cause we're on a roll  
Are you ready? Don't get mad, Don't get mean  
Don't get mad, don't be mean Hey! Don't be mad, don't get mean  
Don't get mad, don't be mean Wait... I don't mean no harm I can see you with my t-shirt on  
I can see you with nothing on  
Feeling on me before you bring that on  
Bring that on?  
You know what I mean  
Girl, I'm a freak, you shouldn't say those things  
I'm only trying to get inside your brain  
To see if you can work me the way you say  
It's okay, it's alright  
I got something that you gon' like  
Hey is that the truth or are you talking trash?  
Is your game M.V.P. like Steve Nash?  
Promiscuous girl  
Wherever you are  
I'm all alone  
And it's you that I want  
Promiscuous boy  
I'm calling your name  
But you're driving me crazy  
The way you're making me wait  
Promiscuous girl  
You're teasing me  
You know what I want  
And I got what you need  
Promiscuous boy  
We're one in the same  
So we don't gotta play games no more
