

# Cities of the Future

## Infected Mushroom

We're goin run run run to the cities of the future. Take what we can and bringit back home so  
take me down to the cities of the future.  
Everybody's happy and I feel at home.  
We're goin run run run to the cities of the future.  
Take what we can and bringit back home  
so take me down to the cities of the future.  
Everybody's happy and I feel at home.  
We're goin run run run to the cities of the future.  
Take what we can and bringit back home  
so take me down to the cities of the future. Everybody's happy and I feel at home.  
We're goin run run run to the cities of the future.  
Take what we can and bringit back home  
so take me down to the cities of the future.  
Everybody's happy and I feel at home.  
i found myself, going away  
never wanting to go back again. leaving all my thoughts behind  
searching for some new ones inside  
i found myself  
run run run to the cities of the future.  
Take what we can and bringit back home  
so take me down to the cities of the future.  
Everybody's happy and I feel at home. (X4-5)
