

# Tell Me Something I Don't Know

## Selena Gomez & The Scene

[Verse 1]

Everybody tells me that it's so hard to make it  
It's so hard to break in  
There's no way to fake it  
Everybody tells me that it's wrong what I'm feeling  
I shouldn't believe in the dreams that I'm dreaming

[Pre-Chorus]

I hear it every day  
I hear it all the time  
I'm never gonna amount to much  
But they're never gonna change my mind, no

[Chorus]

Tell me, tell me, tell me something I don't know  
Something I don't know  
Something I don't know  
Tell me, tell me, tell me something I don't know  
Something I don't know  
Something I don't know  
Like how many inches in a mile  
What it takes to make you smile  
Get you not to treat me like a child, baby  
Tell me, tell me, tell me something I don't know  
Something I don't know  
Something I don't know

[Post-Chorus]

Tell me, tell me something I don't know  
Tell me, tell me something I don't know

[Verse 2]

Everybody tells me I don't know what I'm doing  
This life I'm pursuing  
The odds I'd be losing  
Everybody tells me that it's one in a million  
One in a billion  
One in a zillion

[Pre-Chorus]

I hear it every day  
I hear it all the time  
I'm never gonna amount to much  
But they're never gonna change my mind, no

[Chorus]

Tell me, tell me, tell me something I don't know  
Something I don't know  
Something I don't know  
Tell me, tell me, tell me something I don't know  
Something I don't know  
Something I don't know  
Like how many inches in a mile  
What it takes to make you smile  
Get you not to treat me like a child, baby  
Tell me, tell me, tell me something I don't know  
Something I don't know  
Something I don't know

[Bridge]

Selena, hit the track  
Like Katrina, making waves  
Like Cold Medina, make them say, "I'm ready!"  
Are you ready for it? (Yeah, I'm ready for it)  
Really ready for it? (Yeah, I'm ready for it)  
I'm on my way  
I know I'm gonna get there someday  
It doesn't help when you say it won't be easy

[Chorus]

Tell me, tell me, tell me something I don't know  
Something I don't know  
Something I don't know  
Tell me, tell me, tell me something I don't know  
Something I don't know  
Something I don't know  
Like how many inches in a mile  
What it takes to make you smile  
Get you not to treat me like a child, baby  
Tell me, tell me, tell me something I don't know  
Something I don't know  
Something I don't know

[Outro]

Tell me, tell me, tell me something I don't know  
Something I don't know  
Something I don't know  
Tell me, tell me, tell me something I don't know  
Something I don't know

Something I don't know
