

Crush

Gavin DeGraw

When my pass came in, you dropped the ball
It didnt change the way I feel
And I was wishing I'd break down your walls
The kiss will know if lips stay still
There is a line I crossed
And when you missed I lost
I'm not a loser
Girl, you know that I'll be back again
My dear, I went for the steal
Maybe it was rushed
Oh my crush, I've gotta crush
I suppose that i could hold it in
But you excite my every cell
Sources say that senses are your friends
My senses say that I should tell
You that I'm not ashamed
You might just feel the same
But you have to try it
If you're ever really gunna know
My dear, I went for the steal
Maybe it was rushed
Oh my crush, ive gotta crush
I want to
I need to
I have to have you
You're so much to touch
Girl, you're too much
And I cant control it- you've got me all over the road
My dear, I went for the steal
Maybe it was rushed
Oh my crush
Damaging my soul
You blew me off, but I dont mind
I just get better with time
And so do you
So do you
So do you
My crush
