

Title

Meghan Trainor

[Verse 1]

If you want my love
You gotta do what it does
If you want these sweet-like-sugar Gucci lips
You gotta give it up
I know you think I'm cool
But I ain't one of the boys
No, don't be scared that I'm gon' tie ya down
I need a little more

[Chorus]

Baby don't call me your friend
If I hear that word again
You might never get a chance to see me naked in your bed
And I know girls ain't hard to find
But if you think you wanna try
Then consider this an invitation to kiss my ass goodbye
Give me that title, title
Come on, give me that title, title
Better give me that title, title
Come on, give me that title, title

[Verse 2]

If it ain't no thang (No)
I won't be hanging around (Hanging around)
But don't blow up my shit at 3 AM, saying how you need me now
Don't call me boo
Like you're some kind of ghost (Well, you're a ghost)
If you don't want me seeing other guys
Well, here's what you need to know

[Chorus]

Baby, don't call me your friend
If I hear that word again
You might never get a chance to see me naked in your bed
And I know girls ain't hard to find
But if you think you wanna try
Then consider this an invitation to kiss my ass goodbye
Give me that title, title
Come on, give me that title, title

Better give me that title, title
Come on, give me that title, title

[Bridge]

Yo, said I'm a special kind of woman
I'm loving what you got, but I'm hating what you doing
Gotta understand that I'm looking for a man
Who can get up on a bike, "Look ma, no hands!"
You gotta show me off, off
But if you embarrassed, if that's the case, I'm all gone
You gotta treat me like a trophy, put me on the shelf
Or call me something else

[Chorus]

Baby, don't call me your friend
If I hear that word again
You might never get a chance to see me naked in your bed
And I know girls ain't hard to find
But if you think you wanna try
Then consider this an invitation to kiss my ass goodbye
Give me that title, title
Come on, give me that title, title
Better give me that title, title
Come on, give me that title, title
Title, title
Come on, give me that title, title
Come on, give me that title, title
Come on, give me that title, title
