Right Round (feat. Ke\$ha)

Flo Rida

You. spin my head right round, right round When you go down, when you go down down

You spin my head right round, right round

When you go down, when you go down downHey, walk out the house with my swagger Hop in there with dough, I got places to go

People to see, time is precious

I look at my Cartier, outta controlJust like my mind where I'm goin'

No women, no shawties, no nothin' 'about clothes

No stoppin' now, my Pirellis on roll

I like my jewelry, that's always on whoal know the storm is comin'

My pockets keep tellin' me it's gonna shower

Call up my homies it's on

Then pop in the night 'cause this mix'll be ours

We keep a fade away shot 'cause we ballin'

It's Platinum Patrón every hour

Lil' mama, oh, you just like the flowers

Girl you the drink with all that goody powerYou spin my head right round, right round

When you go down, when you go down down

You spin my head right round, right round

When you go down, when you go down downFrom the top of the pole I watch her go down

She got me throwin' my money around

Ain't nothin' more beautiful to be found

It's goin' down down

From the top of the pole I watch her go down

She got me throwin' my money around

Ain't nothin' more beautiful to be found

It's goin' down down

Hey, shawty must know I'm the man

My money love her like a #1 fan

Don't open my mouth, let her talk to my fans

My Benjamin Frank-a-lin's A couple of grands, I got rubber bands

My paper planes makin' her dance

Get dirty all night, that's part of my plan

We buildin' castles that's made out of sandShe's amazin', fire blazin'

Hotter than Cajun, girl won't you move a lil' closer

Time to get paid, it's maximum wage

That body belong on a posterI'm in a daze, the bottom is wavin' at me

Like "Damn it, I know ya"

You wanna shoot like a gun outta holster

Tell me whatever and I'll be your gopherYou spin my head right round, right round

When you go down, when you go down down

You spin my head right round, right round

When you go down, when you go down downFrom the top of the pole I watch her go down
She got me throwin' my money around
Ain't nothin' more beautiful to be found
It's goin' down down
From the top of the pole I watch her go down
She got me throwin' my money around
Ain't nothin' more beautiful to be found
It's goin' down downYeah, I'm spendin' my money
I'm out of control
Somebody help me, she takin' my bank roll
But I'm king of the club

And I'm wearin' the crown

Poppin' these bottles, touchin' these models

Watchin' they asses go down down

Down down down down down down...

Down down down down...

You spin my head right round, right round
When you go down, when you go down down
You spin my head right round, right round
When you go down, when you go down down
You spin my head right round, right round
When you go down, when you go down down
You spin my head right round, right round
When you go down, when you go down down
When you go down, when you go down down
