

# Summer Feelings (feat. Charlie Puth)

## [Acoustic]

Lennon Stella

Verse 1: Lennon Stella]

I hear the rhythm of waves hittin' on the shore  
And I can swear they're speakin', ?speakin', ?speakin'  
They're tellin' me ?to relax, I'm not good at ?that  
But now, I know I need it, need it, need it (I slide)[Pre-Chorus: Lennon Stella]  
Ooh, now what you do? My tan lines tell the truth (I slide)  
Yeah, on Venice beach, got sand all in my shoes (Tonight)  
Ooh, unlock me loose, see the sunset from the roof (That's right)  
Yeah, that crystal blue, and I came out someone new[Chorus: Lennon Stella]

Hey, gettin' in my summer feelings  
And I'm trying to keep it cool  
Way up here in my summer feelings  
And I found a piece of me that I never knew  
[Verse 2: Charlie Puth]

You got my heart and I'm head over heels in love  
In California, dreamin', dreamin', dreamin', yeah  
Touchin' the stars and then draggin' them down to Earth  
That California feelin', feelin', feelin' (I slide)[Pre-Chorus: Charlie Puth]  
Oh, now what you do? Your brown eyes tell the truth (I slide)  
Yeah, down on the beach, I'm stayin' out late for you (Tonight)  
Oh, unlock you loose, see the sunset from the roof (That's right)  
Yeah, you're good to me, and I came out someone new  
[Chorus: Charlie Puth]

Hey, gettin' in my summer feelings (Summer feelings)  
And I, I'm trying to keep it cool  
Way up here in my summer feelings  
And I, I found a piece of me that I never knew  
[Bridge: Lennon Stella]

I'm meltin' like ice cream  
The stress is gone for me  
Nowhere I'd rather be (Oh)[Chorus: Charlie Puth, Lennon Stella, Both]

Hey, gettin' in my summer feelings  
And I, I'm trying to keep it cool  
Way up here in my summer feelings  
And I found a piece of me that I never knew  
Hey, gettin' in my summer feelings  
And I, I'm trying to keep it cool  
Way up here in my summer feelings  
And I found a piece of me that I never knew
