

Then the Morning Comes

Smash Mouth

Paint the town, take a bow
Thank everybody
You're gonna do it again
You are the few, the proud
You are the antibody
Mind soul, and zen And the world's a stage (and the world's a phase)
And the end is near So push rewind just in time
Thank anybody
You're gonna do it again
The way that you walk
It's just the way that you talk
Like it ain't no thing
And every single day is just a fling
Then the morning comes Take your knocks, shake them off
Duck everybody
You're gonna take them again
You are your foe, your friend
You are the paparazzi
You are the tragedian And the world's a craze (and the world's a phase)
And the end is near So push rewind just in time
Thank anybody
You're gonna do it again
The way the you walk
It's just the way that you talk
Like it ain't no thing
And every single day is just a fling
And when it comes it moves so slow
Kinda like it's saying I told you so
Looking back before she goes
Tomorrow's gonna hurt And the world's a stage (and the world's a phase)
And the end is near So push rewind just in time
Thank anybody
It's just the way that you walk It's just the way that you talk
Like it ain't no thing
And every single day is just a fling
Then the morning comes
