

# The Sky's the Limit

Jason Derulo

[Intro]

Yeah, oh, mu  
Jason Derulo  
(J-J-J-J.R.)

[Verse 1]

Like a shock to my heart  
When I saw you tonight  
Like a dream come alive  
For the very first time  
When we touch in the dark  
Baby, you're blowing my mind  
Wish I could freeze you and me  
In this moment in time (hey)

[Pre-Chorus]

You got it, what I want  
Give it up, shorty  
Step it up for me  
And I'll give you everything  
All my life, all my love  
I'll give you my fortune and fame  
I'd even give you my name

[Chorus]

Girl, you take me higher  
Than I've ever been before, my feet don't touch the floor  
We'll fly, the sky is the limit  
The sky is the limit  
Girl, you take me up, up, up, up, up, up, up, up  
Girl, you take me up  
You take me higher, the sky is the limit  
The sky is the limit

[Verse 2]

When we dance when we kiss  
Doesn't get any better than this  
How you shine, trapped in the spotlight  
Finally mine, yeah  
Baby, let's go (go), let's get out of here

Baby, let go (go), got nothing to fear  
And now that we're here, let's disappear  
Into the night (hey)

[Pre-Chorus]

You got it, what I want (what I want)  
Give it up, shorty (shorty)  
Step it up for me  
And I'll give you everything  
All my life, all my love  
I'll give you my fortune and fame  
I'd even give you my name

[Chorus]

Girl, you take me higher  
Than I've ever been before, my feet don't touch the floor  
We'll fly, the sky is the limit  
The sky is the limit  
Girl, you take me up, up, up, up, up, up, up, up  
Girl, you take me up  
You take me higher, the sky is the limit  
The sky is the limit

[Bridge]

My feet are on the ceiling, haha (the ceiling)  
And they don't wanna touch the ground anymore  
Oh, what I feel (what I feel), I can feel it (I can feel it)  
Can you feel it? Feel It, feel it (yeah, yeah)

[Chorus]

Girl, you take me higher (oh, yeah)  
Than I've ever been before (before), my feet don't touch the floor  
We'll fly, the sky is the limit  
The sky is the limit  
Girl, you take me up, up, up, up, up, up, up, up (you take me up, baby)  
Girl, you take me up (oh whoa, oh)  
You take me higher, the sky is the limit (higher)  
The sky is the limit, oh, whoa
