Queen Elizabeth

Cheat Codes

[Verse 1] Elizabeth, Elizabeth, she's the girl next door But she's a little bit Yeah, to me, she's a little bit more When I'm with her, then I feel like a king Yes, I feel like a king To be in her grace, I would do anything I would do anything

[Pre-Chorus]

I would go down on my knees, down on my knees Down on my knees, down on my knees, down on my knees Down on my knees, down on my knees, down on my knees Down on my knees, down on my knees, down on my

[Chorus]

Oh, Queen Elizabeth You're the one that I wanna be with My Queen Elizabeth Give it up, give it up, give it up just a little bit Oh, Queen Elizabeth You're the one that I wanna be with You're the one that I wanna be with now

[Verse 2] Elizabeth, I am here at your beck & call And in a little bit, I'll have you climbing the castle walls All the king's horses and all the king's men Can't keep me away, keep me away I'll be you knight any time of the day, any time of the day

[Pre-Chorus]

I will go down on my knees, down on my knees Down on my knees, down on my knees, down on my knees Down on my knees, down on my knees, down on my knees Down on my knees, down on my knees, down on my

> [Chorus] Oh, Queen Elizabeth You're the one that I wanna be with

My Queen Elizabeth Give it up, give it up just a little bit Oh, Queen Elizabeth You're the one that I wanna be with now You're the one that I wanna be with now

[Bridge] I'll give you the world with diamonds and pearls No other girl I want to hold on to I confess I'd like to undress and make a princess A prince if you want to Lay with me, we can rule the world together You're royalty in my eyes

[Chorus] Oh, Queen Elizabeth You're the one that I wanna be with My Queen Elizabeth Give it up, give it up, give it up just a little bit Oh, Queen Elizabeth You're the one that I wanna be with now You're the one that I wanna be with now

[Outro] You're the one that I wanna be with now You're the one that I wanna be with now
