

# Kiko and the Lavender Moon

## Los Lobos

Kiko and the lavender moon  
Out playing - makes believe  
    Nobody can see  
    And then he waits  
    And then he fakes  
    And then he bends  
    And then he shakes  
    He plays and plays  
    Still playing till he  
    Goes off to sleep

Kiko and the lavender moon  
Out dancing making faces at  
    A big black cat  
    And then he flies  
    Up to the wall  
    Stands on one foot  
    Doesn't even fall  
    Dance and dance  
    Still dancing till  
    He goes off to sleep

    He always sleeps  
Till the sun goes down  
    He never wakes  
    Till no one's around  
    He never stops  
Can't catch his breath  
    It's always there  
    Scares him to death

Kiko and the lavender moon  
Out dreaming 'bout green shoes  
    Haircuts and cake  
    And then he wishes  
    The world away  
    And then he kneels  
    As if to pray  
    He dreams and dreams
