

Pass the Dutch (feat. Shawt Dawg)

Young Money

Too many women, and not enough time
Im a cool cat, but im on life nine.
Pimping aint dead cause I be the life line
And I don't buy the bar cuz it don't sell white wine
Gon' let that light shine
ballin' for a life time
Smoking on a nice pine, Weezy baby flight flyin
You can call him your husband
Call me at night time
And even though women change
I will always like dimes
And yeah im quite fine, but shawty much finer
And I just get behind her
And smack it like E Honda
And please don't hate on me
when you see me with Kiana
cause she wilder than Nirvana
and colder than your honor
holla at your boy manana
Maybach come wit a recliner
run up on it and sh-t will get uglier than an iguana
this is only a reminder it's Young Money don't forget it
and im Weezy F baby you might find it on a titty
