

# Twenty Eight

## The Weeknd

[Verse 1]

This house is not a home to you  
But you decide to go ahead and lay down, lay down  
There are no words to describe the depth of your indifference  
'Cause I see you're here to stay  
Should've known to pick my fate

[Chorus]

I'm so wrong, I'm so wrong  
(To let you in my)  
To let you in my home  
(Now you know where I sleep)  
Now you know where I sleep  
(Never felt so damn weak)

[Verse 2]

Hey there, lonely girl  
Did you have to tell your friends  
About the way I got you screaming my name?  
Did you have to tell the world?  
Now your girls all wanna fuck  
Girl you could've been the one  
Gotta change my number twice a month  
When you could have simply kept it on the down low

[Chorus]

I'm so wrong, I'm so wrong  
(To let you in my)  
To let you in my home  
(Now you know where I sleep)  
Now you know where I sleep  
(Never felt so damn weak)

[Verse 3]

Baby if I knew you'd be living in my sheets  
I wouldn't have shown you any love  
I would have left you in the club  
You said you don't belong  
You keep saying there's no one  
And there's no where to go

But who keeps calling on your phone?  
I'm so wrong, I'm so wrong, I'm so wrong

[Chorus]

I'm so wrong, I'm so wrong  
(To let you in my)  
To let you in my home  
(Now you know where I sleep)  
Now you know where I sleep  
(Never felt so damn weak)  
I'm so wrong, I'm so wrong  
(To let you in my)  
To let you in my home  
(Now you know where I sleep)  
Now you know where I sleep  
(Never felt so damn weak)

[Outro]

Girl, if your man call your phone again  
Girl, if your man call your phone again
