

You Haunt Me

Sir Sly

[Verse 1]

I'm selfish, never did think about anyone but myself
I'm careless, never did care about anyone else
You're fearless, never been afraid, won't start that now
Not helpless, never want help, rather go to hell

[Pre-Chorus 1]

Whiskey and wine
Night after night
You haunt me
Losing my mind
Set it on fire
You haunt me

[Chorus]

I'm never gonna let you go
Oh oh oh
I'm never gonna let you go
I'm never gonna let you go

(I'm never gonna let you)
(I'm never gonna let you)
(I'm never gonna let you)
(I'm never gonna let you)
(I'm never gonna let you)

[Verse 2]

I'm aimless, heading toward nowhere at the speed of light
Still dreamless, now that you're gone I think I lost my fight
You're loose-lipped, tell me what you think about all last night
You're foolish, falling for a fool, I guess I'm not that wise

[Pre-Chorus 2]

Whiskey and rum
Blood on my tongue
You haunt me
Tonic and gin
Blood's getting thin
You haunt me

[Chorus]

I'm never gonna let you go
Oh oh oh
I'm never gonna let you go
I'm never gonna let you go

[Bridge]

Let me down easy now
Something else you'll write about again
Found my way on a plane
Things will never be the same again

[Pre-Chorus 2]

Oh oh
Whiskey and rum
Blood on my tongue
You haunt me
Tonic and gin
Blood's getting thin
You haunt me

[Outro]

I'm never gonna let you go
Oh oh oh oh oh oh oh
I'm never gonna let you go
I'm never gonna let you go
