

Fallin' (Adrenaline) [James Hype Remix]

Why Don't We

Caught in the moment - not even thinking twice
Everything's frozen - nothing but you and I
Can't stop my heart from beating why do I love this feeling
Make me a promise tell me you'll stay with me
If I'm being honest I don't know where this leads
But that's the only question
Baby don't keep me guessing Ooh you are my muse
I feel so reckless
Oh you're making me
Making me
Making me give in OH BABY
I can feel the rush of adrenaline
I'm not scared to jump if you want to
Let's just fall in love for the hell of it
Maybe we'll just keep fallin'
I can feel the rush of adrenaline
I'm not scared to jump cause I want you
Let's just fall in love for the hell of it
Maybe we'll just keep fallin' When I am around you I feel it in my veins
There's something about you
That's making me go insane
We have a storm to weather
My little sweet surrender Ooh you are my muse
I feel so reckless
Oh you're making me
Making me
Making me give in
OH BABY I can feel the rush of adrenaline
I'm not scared to jump if you want to
Let's just fall in love for the hell of it maybe just keep fallin'
I can feel the rush of adrenaline
I'm not scared to jump cause I want you
Let's just fall in love for the hell of it
Maybe we'll just keep fallin' Fallin X10
Ooh you are my muse
I feel so reckless
Oh you're making me x7 give in OH BABY I can feel the rush of adrenaline
I'm not scared to jump if you want to
Let's just fall in love for the hell of it
Maybe we'll just keep fallin'
I can feel the rush of adrenaline
I'm not scared to jump cause I want you

Let's just fall in love for the hell of it
Maybe we'll just keep fallin'
Make me just keep fallin'
