

# One Kiss

Calvin Harris & Dua Lipa

[Intro]

One kiss is all it takes  
Fallin' in love with me  
Possibilities  
I look like all you need

[Verse 1]

Let me take the night, I love real easy  
And I know that you'll still wanna see me  
On the Sunday morning, music real loud  
Let me love you while the moon is still out

[Pre-Chorus]

Something in you-ou-ou lit up heaven in me-e-e  
The feeling won't let me slee-ee-eep  
'Cause I'm lost in the way you move, the way you feel

[Chorus]

One kiss is all it takes  
Fallin' in love with me  
Possibilities  
I look like all you need  
One kiss is all it takes  
Fallin' in love with me  
Possibilities  
I look like all you need

[Post-Chorus]

One  
One  
One  
One

[Verse 2]

I just wanna feel your skin on mine  
Feel your eyes do the exploring  
Passion in the message when you smile  
Take my time

[Pre-Chorus]

Something in you-ou-ou lit up heaven in me-e-e  
The feeling won't let me slee-ee-eeep  
'Cause I'm lost in the way you move, the way you feel

[Chorus]

One kiss is all it takes  
Fallin' in love with me  
Possibilities  
I look like all you need  
One kiss is all it takes  
Fallin' in love with me  
Possibilities  
I look like all you need

[Post-Chorus]

One  
One  
One  
One

[Bridge]

See a wonderland in your eyes  
Might need your company tonight

[Pre-Chorus]

Something in you-ou-ou lit up heaven in me-e-e  
The feeling won't let me slee-ee-eeep  
'Cause I'm lost in the way you move, the way you feel

[Chorus]

One kiss is all it takes  
Fallin' in love with me  
Possibilities  
I look like all you need  
One kiss is all it takes  
Fallin' in love with me  
Possibilities  
I look like all you need

[Post-Chorus]

One  
One  
One  
One
