

# Perfect

## One Direction

I might never be your knight in shining armour  
I might never be the one you take home to mother  
And I might never be the one who brings you flowers  
But I can be the one, be the one tonight When I first saw you  
From across the room  
I could tell that you were curious,  
Oh, yeah  
Girl, I hope you're sure  
What you're looking for  
'Cause I'm not good at making promises  
But if you like causing trouble up in hotel rooms  
And if you like having secret little rendezvous  
If you like to do the things you know that we shouldn't do  
Then baby, I'm perfect  
Baby, I'm perfect for you  
And if you like midnight driving with the windows down  
And if you like going places we can't even pronounce  
If you like to do whatever you've been dreaming about  
Then baby, you're perfect  
Baby, you're perfect  
So let's start right now I might never be the hands you put your heart in  
Or the arms that hold you any time you want them  
But that don't mean that we can't live here in the moment  
'Cause I can be the one you love from time to time  
When I first saw you  
From across the room  
I could tell that you were curious,  
Oh, yeah  
Girl, I hope you're sure  
What you're looking for  
'Cause I'm not good at making promises But if you like causing trouble up in hotel rooms  
And if you like having secret little rendezvous  
If you like to do the things you know that we shouldn't do  
Then baby, I'm perfect  
Baby, I'm perfect for you  
And if you like midnight driving with the windows down  
And if you like going places we can't even pronounce  
If you like to do whatever you've been dreaming about  
Then baby, you're perfect  
Baby, you're perfect  
So let's start right now And if you like cameras flashing every time we go out,  
Oh, yeah

And if you're looking for someone to write your break-up songs about  
    Baby, I'm perfect  
Baby, we're perfect If you like causing trouble up in hotel rooms  
    And if you like having secret little rendezvous  
If you like to do the things you know that we shouldn't do  
    Then baby, I'm perfect  
    Baby, I'm perfect for you  
And if you like midnight driving with the windows down  
    And if you like going places we can't even pronounce  
If you like to do whatever you've been dreaming about  
    Then baby, you're perfect  
    Baby, you're perfect  
    So let's start right now
