

Quechua 101 Land Back Please

Bobby Sanchez

[The first portion of the song is spoken in Quechua (until 1m 20s)]

Please don't ask me for a translation
Cause I'm only reppin' first first first nations
Please don't talk to me about decolonization
When you still speakin' in the colonizers language
See you genocide us
Then you colonize us
See you sterilized us
And now you fetishize us
See you stigmatize us
Then homogenize us
Tryna co-op the movement and gentrify us
I say no
Land back
Please
Stolen
Land
Under
Siege
Land back
Land back
Land back
Please
Stolen
Land
Under
Siege
