You're the Love I Wanna Be In

Jason Aldean

I've always been there everytime he let you down
I caught your falling tears before they hit the ground
But I just heard somebody say that you finally told him goodbye
Well girl now you've finally made your move
Now I'm here to make mine.I want to be there when you wake up, be more than just your friend
Baby there's no mistaking you're the love I wanna be inI've kept my feelings under lock and key
Couldn't let you see them even though it was killing me
You can't imagine all the time I spent wishing you were mine
I just know if we ever kissed we'd go crazy baby for the rest of our lifes
I want to be there when you wake up, be more than just your friend
Baby there's no mistaking you're the love I wanna be in!Well I want to be there when you wake up
Be more than just your friend
Baby there's no mistaking you're the love I wanna be in!
I wanna be there when you wake up, be more than just your friend
Baby there's no mistaking, you're the love I wanna be in!
You're the love I wanna be in!
Oh yeahI wanna be there when you wake up...
