

I Miss You

Miley Cyrus

Sha, la, la, la, la
Sha, la, la, la, la, You use to call me your angel
Said I was sent straight down from heaven
You'd hold me close in your arms
I loved the way you felt so strong
I never wanted you to leave
I wanted you to stay here holding me I miss you
I miss your smile
And I still shed a tear, every once in a while
And even though it's different now
You're still here somehow
My heart won't let you go
And I need you to know
I miss you
Sha, la, la, la, la
I miss you You use to call me your dreamer
And now I'm living out my dream
Oh, how I wish you could see
Everything that's happening for me
I'm thinking back on the past
It's true that time is flying by too fast I miss you
I miss your smile
And I still shed a tear, every once in a while
And even though it's different now
You're still here somehow
My heart won't let you go
And I need you to know
I miss you
Sha, la, la, la, la
I miss you I know your in a better place, yeah
But I wish that I could see your face, oh
I know you're where you need to be
Even though it's not here with me I miss you
I miss your smile
And I still shed a tear, every once in a while
And even though it's different now
You're still here somehow
My heart won't let you go
And I need you to know I miss you
Sha, la, la, la, la I miss you
I miss your smile
And I still shed a tear, every once in a while

And even though it's different now
You're still here somehow
My heart won't let you go
And I need you to know I miss you
Sha, la, la, la, la
I miss you
(I miss you, you)
