

# Sorry For Partyin'

Thomas Rhett

[Verse 1]

Dear bosses and strangers, gossips and cops  
Ex-girlfriends and neighbors whose names I won't drop  
To anyone who disapproves of anything we're about to do

[Chorus]

I'm sorry for partyin' and Bacardi'n  
What's happenin' in the back yard again  
It started when a couple friends and some dude in a cardigan  
Came rollin' in at 3 AM  
I don't know when it's gonna end  
So for now, I'm sorry for... whoa  
Partyin', partyin'... whoa  
Partyin', partyin'

[Verse 2]

Dear judges and lawyers, to the kid that cuts my grass  
To the Mardi Gras martyrs, stayin' up late, pickin' up trash  
For anyone gettin' caught by a camera phone with your pants off

[Chorus]

I'm sorry for partyin' and Bacardi'n  
What's happenin' in the back yard again  
It started when a couple friends and some dude in a cardigan  
Came rollin' in at 3 AM  
I don't know when it's gonna end  
So for now, I'm sorry for... whoa  
Partyin', partyin'... whoa  
Partyin', partyin'

[Bridge]

Dear Grandma in Georgia who ain't even up  
Yeah, that picture wasn't for ya  
Yeah, that's just my luck

[Chorus]

I'm sorry for partyin' and Bacardi'n  
What's happenin' in the back yard again  
It started when a couple friends and some dude in a cardigan  
Came rollin' in at 3 AM

I don't know when it's gonna end  
So for now, I'm sorry for... whoa  
Partyin', partyin'... whoa  
Partyin', partyin'  
Whoa... partyin', partyin'  
Whoa... partyin', partyin'
