

# Waiting for Your Love

Toto

[Verse 1]

Hands, don't let her go  
Cause then the midnight icy winds will blow  
Eyes, give every drop  
This ain't the way that should have made her stop  
Arms, just let her know  
No one fills the place she used to grow  
Smile, don't leave me now  
Cause you're the reason she's here anyhow

[Pre-Chorus]

Words be gentle when you speak into her heart  
Cause if it breaks, she may not come again

[Chorus]

I've been waitin' for your love  
And it's been here all the time, right in front of me  
I've been sitting, waiting for your love  
And all the time, it's been here, right in front of me

[Verse 2]

Look, forget your pride  
She might kiss as you're like even tide  
So, be in her heart  
Especially when we're apart  
Love, be by my side  
Cause if she leaves there ain't no place to hide  
Soul, be with her now  
Cause you're the first one she knew anyhow

[Pre-Chorus]

Words be gentle when you speak into her heart  
Cause if it breaks, she may not come again

[Chorus]

I've been waitin' for your love  
And it's been here, all the time, right in front of me  
I've been sitting, waiting for your love  
And all the time, it's been here, right in front of me

[Synth Solo]

[Pre-Chorus]

Words be gentle when you speak into her heart  
Cause if it breaks, she may not come again

[Chorus/Outro]

I've been sitting, waiting for your love  
And all the time, it's been here, right in front of me  
Draw the line, I'll step across  
Even further, I give in, you got me  
I've been sitting, waiting for your love  
And all the time, it's been here, right in front of me, yeah  
Just separated by ten thousand miles  
You're not alone, girl, you got me  
Guess I needn't tell you that I'm not around  
I'm inside, you got me  
I've been waitin' for your love  
It's been here, all the time, right in front of me, yeah
