

I Hope You Find It

Miley Cyrus

[Verse 1]

These clouds aren't going nowhere, baby
Rain keeps coming down
I just thought I'd try to call you, baby
For you got too far out of town
And I hope that you get this message that I'm leaving for you
Cause I hate that you left without hearing the words that I needed you to

[Pre-Chorus]

And I hope you find it
What you're looking for
And I hope it's everything you dreamed your life could be
And so much more

[Chorus]

And I hope you're happy, wherever you are
I wanted you to know that
And nothing's going to change that
And I hope you find it

[Verse 2]

Am I supposed to hang around and wait forever?
Last words that I said
But that was nothing but a broken heart talking, baby
You know that wasn't what I meant
Call me up, let me know that you got this message that I'm leaving for you
Cause I hate that you left without hearing the words that I needed you to

[Pre-Chorus]

[Chorus]

And I hope you're happy, wherever you are
I wanted you to know that
And nothing's going to change that
And I hope you find it
Whatever it is out there that you were missing here

[Pre-Chorus]

[Chorus]

And I hope you're happy wherever you are
I wanted you to know that
And nothing's going to change that
No, no, no
And I hope you find it
I hope you find it
Mmm
Ooh
