

# Wandering Eyes

Ronnie McDowell

I got wandering eyes yes it's true I love the ladies

I can't deny the feeling the good lord's put down in my

bones

I got wandering eyes oh but don't you worry baby

My heart always stays here at home

Well I say you look at me when you saw me look at her

And there was no denying what went through your mind

You were filled with jealousy oh but there's no need to

be

Cause I'm just looking honey not looking to find

I got wandering eyes yes it's true I love the ladies

I can't deny the feeling the good lord's put down in my

bones

I got wandering eyes oh but don't you worry baby

My heart always stays here at home

I got wandering eyes yes it's true I love the ladies

I can't deny the feeling the good lord's put down in my

bones

Log on to Top40db.

I got wandering eyes oh but don't you worry baby

My heart always stays here at home

Oh yes it does honey

Hey you should know by now honey when I took those vows

I meant every word that preacher told me to say

It seems so un-natural when I see a pretty girl

To turn my head and look the other way

I got wandering eyes yes it's true I love the ladies

I can't deny the feeling the good lord's put down in my

bones

I got wandering eyes oh but don't you worry mama

My heart always stays here at home

My heart always stays here at home
