

Oogie Boogie's Song

Danny Elfman

Well, well, well, what have we here?
Sandy Claws, huh?
Oh, I'm really scared
So you're the one everybody's talkin' about, ha, ha You're jokin', you're jokin'
I can't believe my eyes
You're jokin' me, you gotta be
This can't be the right guy
He's ancient, he's ugly
I don't know which is worse
I might just split a seam now
If I don't die laughing first
When Mr. Oogie Boogie says
There's trouble close at hand
You'd better pay attention now
'Cause I'm the Boogie Man
And if you aren't shakin'
Then there's something very wrong
'Cause this may be the last time now
That you hear the boogie song, ohhhOhhhOhhhOhhhOhhh, he's the Oogie Boogie Man
Well if I'm feelin' antsy
And there's nothin' much to do
I might just cook a special batch
Of snake and spider stew
And don't ya know the one thing
That would make it work so nice?
A roly-poly Sandy Claws to add a little spiceOhhhOh, yeahOhhhOhhhOhhhOh, yeah, I'm (he's)
the Oogie Boogie ManRelease me now
Or you must face the dire consequences
The children are expecting me
So please, come to your sensesYou're jokin', you're jokin'
I can't believe my ears
Would someone shut this fella up
I'm drownin' in my tears
It's funny, I'm laughing
You really are too much
And now, with your permission
I'm going to do my stuffWhat are you going to do?I'm gonna do the best I canOh, the sound of
rollin' dice
To me is music in the air
'Cause I'm a gamblin' Boogie Man
Although I don't play fairIt's much more fun, I must confess
When lives are on the line

Not mine, of course, but yours, old boy
Now that'd be just fineRelease me fast or you will have to
Answer for this heinous actOh, brother, you're something
You put me in a spin
You aren't comprehending
The position that you're in
It's hopeless, you're finished
You haven't got a prayer
'Cause I'm Mr. Oogie Boogie
And you ain't going nowhere
