

I Run To You

Lady Antebellum

[Verse 1: Charles, Hillary]

I run from hate
I run from prejudice
I run from pessimists
But I run too late
I run my life
Or is it running me?
Run from my past
I run too fast
Or too slow it seems

[Pre-Chorus: Both]

When lies become the truth
That's when I run to you

[Chorus: Both]

This world keeps spinning faster
Into a new disaster, so I run to you
I run to you, baby
And when it all starts comin' undone
Baby, you're the only one I run to
I run to you

[Verse 2: Both]

We run on fumes
Your life and mine
Like the sands of time
Slipping right on through

[Pre-Chorus: Both]

And our love's the only truth
That's why I run to you

[Chorus: Both]

This world keeps spinning faster
Into a new disaster, so I run to you
I run to you, baby
And when it all starts comin' undone
Baby, you're the only one I run to

I run to you

[Bridge: Charles, Hillary]

Whoa, whoa

Oh, I run to you

[Chorus: Both]

This world keeps spinning faster
Into a new disaster, so I run to you

I run to you, baby
And when it all starts comin' undone
Baby, you're the only one I run to

[Break: Charles, Hillary and Both]

I run to you, I run to you, yeah

Whoa, whoa

Oh, I run to you

I run to you, girl

Whoa, whoa, mmm

[Outro]

I always run to you

Run to you

Run to you
