

# Slow Fade

## Casting Crowns

[Verse 1]

Be careful little eyes what you see  
It's the second glance that ties your hands as darkness pulls the strings  
Be careful little feet where you go  
For it's the little feet behind you that are sure to follow

[Chorus]

It's a slow fade when you give yourself away  
It's a slow fade when black and white have turned to gray  
Thoughts invade, choices are made, a price will be paid  
When you give yourself away  
People never crumble in a day  
It's a slow fade, it's a slow fade

[Verse 2]

Be careful little ears what you hear  
When flattery leads to compromise,  
The end is always near  
Be careful little lips what you say  
For empty words and promises lead broken hearts astray

[Chorus]

It's a slow fade when you give yourself away  
It's a slow fade when black and white have turned to gray  
Thoughts invade, choices are made, a price will be paid  
When you give yourself away  
People never crumble in a day

[Bridge]

The journey from your mind to your hands  
Is shorter than you're thinkin'  
Be careful if you think you stand  
You just might be sinkin'

[Chorus]

And it's a slow fade when you give yourself away  
It's a slow fade when black and white have turned to gray  
And thoughts invade, choices are made, a price will be paid  
When you give yourself away  
People never crumble in a day

Daddies never crumble in a day  
Families never crumble in a day

[Outro]

Oh be careful little eyes what see  
Oh be careful little eyes what you see  
For the father up above is looking down in love  
Oh be careful little eyes what you see
