

Sad (feat. Afrojack) [Buzz Low Remix]

Chico Rose

Who am I?
Someone that's afraid to let go
You decide if you're ever gonna let me know
Suicide if you ever try to let go
I'm sad, I know, yeah
Who am I?
Someone that's afraid to let go
You decide if you're ever gonna let me know, yeah
Suicide if you ever try to let go
I'm sad, I know, yeah
Who am I?
You decide if you ever go
Who am I?
You decide if you ever go
Who am I? You decide
Who am I? You decide
Who am I? Who am I?
You decide
Who am I?
Someone that's afraid to let go
You decide if you're ever gonna let me know
Suicide if you ever try to let go
I'm sad, I know, yeah
I'm sad, I know, yeah
If you ever try to let go
Who am I?
Someone that's afraid to let go
You decide if you're ever gonna let me know, yeah
Suicide if you ever try to let go
I'm sad, I know, yeah
I'm sad, I know, yeah
Who am I?
Someone that's afraid to let go
You decide if you're ever gonna let me know, yeah
Suicide if you ever try to let go
I'm sad, I know, yeah
You decide if you ever go
You decide
You decide
You decide
Someone that's afraid to let go
You decide if you're ever gonna let me know, yeah
Suicide if you ever try to let go
I'm sad, I know, yeah
I'm sad, I know, yeah
