

Pregnant (feat. Tyrese, Robin Thicke & the-Dream)

R. Kelly

Girl, you make me wanna get you pregnant
Girl, you make me wanna get you pregnant
Lay your body down and get you pregnant
Knock you up, pregnant, knock you up Usually I leave the club with a girl who has a man
And take her to a hotel for just a one night stand
See, I'm a playa so I ain't tryna take her on no dates
But much like my Patron, man, I'm just tryna take it straight Until I met this girl in the club with
an unbelievable booty
Sweetest girl in the world and I mean it and on top of that she's a cutie
I ain't seen nothin' like her around here in a while
And if I had a girl she'd be the one to bear my child Tellin' myself I'm a playa so I keep tryna
shake it off
But I keep on seein' this big old house with a picket fence and a dog
Never felt nothin' like this, she's more than a mistress
I'm 'bout to handle my business then put that girl in my kitchen
Girl, you make me wanna get you pregnant
Girl, you make me wanna get you pregnant
Lay your body down and get you pregnant
Knock you up, pregnant, knock you up All the pretty ladies please line up right next to me
How would you like to go on a little trip with your boy Tyrese
Raise your hand if you want me to fulfill your fantasies
I can have you co-starrin' in one of my movies Tell me what your name is, I can make you
famous
We can pop champagne and get right down to sexin'
Now I ain't got nothin' to do, tonight I got away for my crew
I just wanna put some in you and I can tell that you want it too And I'm ready, babe and you're
ready, babe
So come on ladies let's get up out of this club
Kel's dreamin', Rese's after party
Come on f*** with us
Girl, you make me wanna get you pregnant
Girl, you make me wanna get you pregnant
Lay your body down and get you pregnant
Knock you up, pregnant, knock you up Ooh, this song has got me hungry, baby, baby
So tell me that you want me, baby, baby
And girl, I'll love you 'til the sun shines
And girl, I promise I will make you my mine Around the world in and out of clubs hangin' with
chicks
And I don't see nothin' wrong with havin' a kid
Sounds like heaven's callin' us

And girl, well, it's about makin' love If you choose me I guarantee
That the rest of your life would be man drama free
I think both of us should leave this club
And get somewhere alone with me
Where there's no phones to ring and plant this magic seed Girl, you make me wanna get you
pregnant
Girl, you make me wanna get you pregnant
Lay your body down and get you pregnant
Knock you up, pregnant, knock you up Your house, my house don't matter, heat it up
Your city, my city don't matter, give it up
Somethin' about being with you make me wanna, baby
Put them pills on chill and girl give me my baby You can play all you want but I know you feel
it too
For 3 weeks you been talkin' about extra bedrooms
In New York meetin' with the realtor
There somethin' you wanna tell me, just say it, I'll pay it Oh girl, I'ma take care of you
And I'ma still hold you like we brand new
So don't get it twisted for 30 somethin' weeks
I'm still gon' hit it and baby sit it, baby sit it Girl, you make me wanna get you pregnant
Girl, you make me wanna get you pregnant
Lay your body down and get you pregnant
Knock you up, pregnant, knock you up Take you out to eat, wine and dine
Shoppin' spree, you sexin' me
See, I'm not cheap or selfish, babe
Girl, I'm just thurstin' for that booty, babe And it's all your fault, baby, you look so good
It's all your fault that it feels like wood
And you look so bored up in this club so let's go
We can hop in the Lamborghini, roll to my big home Shorty let's go crazy, let's make a lil' Kelly
Baby, I got goodies and I want you to have some
I ask that you let me explore your secret garden Girl, you make me wanna get you pregnant
Girl, you make me wanna get you pregnant
Lay your body down and get you pregnant
Knock you up, pregnant, knock you up
