

# Your Wings

Lauren Daigle

[Verse 1]

When ten thousand arrows take flight  
Remind me that You are my armor  
There's always a place I can hide  
When I am desperate for shelter

[Pre-Chorus]

You're my covering  
I'm safe, I'm safe  
Whatever comes at me  
I'm safe, I'm safe

[Chorus]

You got me under Your wings  
Under Your wings  
I'm under, I'm under Your wings  
You got me  
You cover me, You cover me  
I'm under, I'm under Your wings

[Verse 2]

With every step that I take  
You are before and behind me  
In every fear that I face  
Oh I'm constantly finding

[Pre-Chorus]

You're my covering  
I'm safe, I'm safe  
Whatever comes at me  
I'm safe, I'm safe

[Chorus]

You got me under Your wings  
Under Your wings  
I'm under, I'm under Your wings  
You got me  
You cover me, You cover me  
I'm under, I'm under Your wings

You got me under Your wings  
Under Your wings  
I'm under, I'm under Your wings  
You got me  
You cover me, You cover me  
I'm under, I'm under Your wings

[Outro]  
You're my covering  
I'm safe, I'm safe  
Whatever comes at me  
I'm safe, I'm safe  
(I'm under, I'm under Your wings)
