

# Never Let Me Down

VIZE & Tom Gregory

[Verse 1]

You've got a hold on me, you take control of me  
Just don't let go of me, I don't wanna lose you  
You've got my head spinning, quit all the bad thinking  
Want you to last with me, I don't wanna lose you

[Pre-Chorus]

Hold on me, take control of me  
Don't let go of me, oh, and never let me down

[Chorus]

Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, never me let me down

[Drop]

Give me higher ground, baby, lift me higher now, now  
Turn me right around, never let me down  
Give me higher ground, baby, lift me higher now, now  
Turn me right around, never let me down  
Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, never me let me down  
Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, never me let me down

[Verse 2]

Don't have to say nothing, you've got my mind running  
Feel like I'm free falling, I don't wanna lose you  
You've got my head spinning, quit all the bad thinking  
Want you to last with me, I don't wanna lose you

[Pre-Chorus]

Hold on me, take control of me  
Don't let go of me, oh, and never let me down

D-D-D-D-Down, never me let me down

Turn me right around, never let me down  
Give me higher ground, baby, lift me higher now, now  
Turn me right around, never let me down
