

# Secret Lady

Stephanie Mills

Feeling your presence and knowing you? re there  
I? m looking across the room, seeing your eyes meet mine  
A chill runs up my spine, it? s wonderful, yes, it is  
Hoping you? ll soon be mineThe stare I can? t control  
When you smile, your face all aglow  
The way I feel for you is heavenly  
Let your feelings show, you warm my soulI just can? t go on being your secret lady  
Mystery baby, you? re the one I want  
I just can? t go on being your secret lady  
Mystery baby, you? re the one I needI wanted to be with you  
Don? t you know that no one else will do  
But how can we ignore our needs  
So I? ll open up, I? ll open my door if you run to me  
I just can? t go on being your secret lady  
Mystery baby, you? re the one I want  
I just can? t go on being your secret lady  
Mystery baby, you? re the one I needA chill runs up my spine  
And it drives me wild  
Don? t tell nobody  
Don? t want nobody to knowI just can? t go on being your secret lady  
Mystery baby, you? re the one I want  
I just can? t go on being your secret lady  
Mystery baby, you? re the one I needWhat you mean to me  
I adore you so  
You mean the world to me  
Can? t ever let you go  
I just can? t go on being your secret lady  
Mystery baby, you? re the one I want  
I just can? t go on being your secret lady  
Mystery baby, you? re the one I needI just can? t go on being your secret lady  
Mystery baby, you? re the one I want  
I just can? t go on being your secret lady  
Mystery baby, you? re the one I needI just can? t go on being your secret lady  
Mystery baby, you? re the one I want  
I just can? t go on being your secret lady  
Mystery baby, you? re the one I need
